

VERMONT ASSISTIVE TECHNOLOGY PROGRAM

ACCESS THROUGH ASSISTIVE TECHNOLOGY A No Wrong Door Collaboration

ASSISTIVE TECHNOLOGY DEMONSTRATION KIT

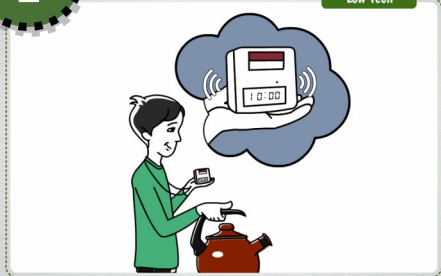

- ◆ Free access to Assistive Technology for your consumers and staff to demo in the field.
- ◆ Increase consumer independence and staff knowledge.
- ◆ Demo kit is available to all No Wrong Door Partners.
- ◆ Learn about and utilize the Assistive Technology Program.

PROCESS

1. In-person informational training for your staff.
2. Display equipment at your office for 1 month, for free.
3. Your staff provides equipment demonstrations to your consumer.
4. Consumers can borrow items from the A.T. Program.
5. At the end of one month, return the equipment.
6. Purchase a demo kit for your organization to keep.
